let us do the hard work for you!

Fish Pie Challenge

You've told us you love our great meals because they are "just like homemade" but also because they save you time and money, so you can spend your bright evenings doing more of the things you love.

So, we set out to put the value of our light yet satisfying Fish Pie to the test! Using supermarket own-brand* ingredients, we prepped the mashed potato topping, made a creamy sauce, assembled and cooked a classic fish pie from scratch.

Making a fish pie from scratch might seem time and cost-effective at first, but in reality it meant more than an hour of prep and cooking, and a basket of ingredients costing over £27.

*Ingredients were picked up from Sainsbury's, using their own-brand products where possible.

Hearty dishes from Wales

There's a reason our casseroles taste so good! They've been crafted and perfected with love in Hirwaun, in the beautiful Cynon Valley.

Yes, these two amazing casseroles are currently top of our favourites list because they're produced by a small team who are only satisfied with the best ingredients, spending hours developing the perfect recipe. The team have spent years refining their amazing methods and ensuring they taste just like homemade.
